Dear Mr. Bruce:

In reply to your letter of January 25, 1950, regarding the Manry & Co. well in Sec. 26, T. 11S, R. 31E, in Chaves County, our files reflect that this well is now in order for approval of final plugging. However, the Oil Conservation Commission Form C-103, Report of Final Plugging of Well, must be filed with this office before we can approve the bond for cancellation.

Enclosed please find a set of the Form C-103. When this is properly filed and approved the bond will then be in order for cancellation.

Very truly yours,

OIL CONSERVATION COMMISSION
