HOBBS, NEW MEXICO

October 1, 1956

R. D. Collier  
Box 798  
Artesia, New Mex.

Dear Sir:

Forms C-104 and C-110 for your Collier-Sams #2 in Unit P of Section 18, T-15-S, R-31-E have been received in this office. A check of the file on this well shows, however, that no Form C-103 has been filed showing the results of the setting of 8 5/8" casing. It will be necessary for you to submit this form before an allowable can be assigned to the well.

Yours very truly,

C. M. Rieder  
Engineer, District 1

March 1, 1935

Mr. J. C. Galt  
For the  
American Oil Co.

Dear Sir:

Reference is made to your letter of February 28, 1935, in which you request that the results of the tests conducted on the oil from the well known as "No. 1" be compared with the results of the tests conducted on the oil from the well known as "No. 2". The results of the tests conducted on the oil from the well known as "No. 1" are as follows:

Very truly yours,

W. E. Fisher  
Engineer, District
