Sec. 20, T-15-S, R-31-E

Gentlemen:

In checking our files for plugged and abandoned wells we find that we have not as yet received a reply to our letter of May 21, 1957 regarding subject well which stated that the legal description of the location was not inscribed on the marker.

Please notify this office as soon as the above work has been done so that we may approve your Form C-103, Report of Final Plugging. Drilling was completed on this well on August 8, 1955.

Yours very truly,

OIL CONSERVATION COMMISSION
