

NEW MEXICO OIL CONSERVATION COMMISSION  
Santa Fe, New Mexico

## REQUEST FOR (OIL) - (GAS) ALLOWABLE

New Well  
Recompletion

This form shall be submitted by the operator before an initial allowable will be assigned to any completed Oil or Gas well. Form C-104 is to be submitted in QUADRUPLICATE to the same District Office to which Form C-101 was sent. The allowable will be assigned effective 7:00 A.M. on date of completion or recompletion, provided this form is filed during calendar month of completion or recompletion. The completion date shall be that date in the case of an oil well when oil is delivered into the stock tanks. Gas must be reported on 15.025 psia at 60° Fahrenheit.

Title: DIST.

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that proper record-keeping is essential for transparency and accountability, particularly in financial matters. The text notes that without reliable records, it is difficult to track progress, identify issues, and make informed decisions.

2. The second part of the document outlines the various methods and tools used to collect and analyze data. It mentions the use of surveys, interviews, and focus groups to gather qualitative information, as well as statistical analysis and data visualization techniques to process quantitative data. The importance of ensuring the reliability and validity of the data sources is also highlighted.

3. The third part of the document describes the process of interpreting the results and drawing conclusions. It stresses the need for a systematic approach to analyzing the data, taking into account the context and the research objectives. The text also discusses the importance of communicating the findings clearly and effectively to the relevant stakeholders.

4. The fourth part of the document provides a summary of the key findings and conclusions. It highlights the main trends and patterns observed in the data, as well as the implications for future research and practice. The text concludes by emphasizing the value of the research and the need for continued efforts to improve the quality and reliability of the data.
