RE: Plugging Reports

Gentlemen:

Form C-102, Notice of Intention to Plug, your Gulf State #1-A-F 31-15-31 \*\*\*  
Lease Well No. Unit S-T-R

was approved on 10/31/56. Your final plugging report, however, which must be filed on Form C-103, cannot be approved until a Commission representative has made an inspection of the location to see that all pits have been filled and levelled and the location cleaned and cleared of junk.

Please notify us by filling in the blank form below when this work has been done so that our representative will not have to make more than one trip to the location.

\*\*\* Please submit Form C-105 and  
Form C-103 showing the results of the setting of casing.
