Cooperative Producing Association  
Levelland, Texas

Dear Sir:

We have a notice of intention to deepen well approved by Mr. Yarbrough December 20, 1948. We have no well drilled by Cooperative on this quarter section of section 12, T.13 S, R.31 E, but do find a well known as Great Western Producers, State-Maxwell B #1 located in SW/4 SE/4 section 12, T.13 S, R.31 E.

In the event you have taken over the operation of this well we would appreciate your filing change of ownership with us. And in the future, please file notice that you purchased a well and show the former operator. If the well has been producing, it will be necessary to file a C-110 under your name and show the former operator.

Very truly yours,

bpw

Secretary and Director
