WASHINGTON, D. C.

REPORT OF THE COMMISSIONER OF THE GENERAL LAND OFFICE

For the year ending June 30, 1904

By

W. A. RORER, Commissioner

WASHINGTON: GOVERNMENT PRINTING OFFICE: 1905

100-10000

The following report of the Commissioner of the General Land Office for the year ending June 30, 1904, is published in accordance with the provisions of the Act of March 3, 1879, (20 Stat. 419), and the Act of March 3, 1897, (30 Stat. 1037).

The report is divided into two parts, the first of which contains a general statement of the work of the Department during the year, and the second of which contains a detailed statement of the work of the various bureaus and offices.

The first part of the report is divided into four sections, the first of which contains a general statement of the work of the Department during the year, and the second of which contains a detailed statement of the work of the various bureaus and offices.

The second part of the report is divided into two sections, the first of which contains a detailed statement of the work of the various bureaus and offices, and the second of which contains a detailed statement of the work of the various bureaus and offices.

The first section of the second part of the report contains a detailed statement of the work of the various bureaus and offices, and the second section of the second part of the report contains a detailed statement of the work of the various bureaus and offices.

The first section of the second part of the report contains a detailed statement of the work of the various bureaus and offices, and the second section of the second part of the report contains a detailed statement of the work of the various bureaus and offices.

The first section of the second part of the report contains a detailed statement of the work of the various bureaus and offices, and the second section of the second part of the report contains a detailed statement of the work of the various bureaus and offices.

The first section of the second part of the report contains a detailed statement of the work of the various bureaus and offices, and the second section of the second part of the report contains a detailed statement of the work of the various bureaus and offices.

The first section of the second part of the report contains a detailed statement of the work of the various bureaus and offices, and the second section of the second part of the report contains a detailed statement of the work of the various bureaus and offices.

The first section of the second part of the report contains a detailed statement of the work of the various bureaus and offices, and the second section of the second part of the report contains a detailed statement of the work of the various bureaus and offices.

The first section of the second part of the report contains a detailed statement of the work of the various bureaus and offices, and the second section of the second part of the report contains a detailed statement of the work of the various bureaus and offices.

The first section of the second part of the report contains a detailed statement of the work of the various bureaus and offices, and the second section of the second part of the report contains a detailed statement of the work of the various bureaus and offices.

The first section of the second part of the report contains a detailed statement of the work of the various bureaus and offices, and the second section of the second part of the report contains a detailed statement of the work of the various bureaus and offices.

The first section of the second part of the report contains a detailed statement of the work of the various bureaus and offices, and the second section of the second part of the report contains a detailed statement of the work of the various bureaus and offices.

The first section of the second part of the report contains a detailed statement of the work of the various bureaus and offices, and the second section of the second part of the report contains a detailed statement of the work of the various bureaus and offices.

The first section of the second part of the report contains a detailed statement of the work of the various bureaus and offices, and the second section of the second part of the report contains a detailed statement of the work of the various bureaus and offices.
