Gentlemen:

Mr. W. A. Gressett, Oil & Gas Inspector for the Commission, has made an inspection of the location for your plugged and abandoned State "B" No. 1 in Unit F of Section 22, T-13-S, R-31-E and has found that the marker does not have the quarter quarter section inscribed on it as required by the Commission.

Please notify this office when this has been done so that a final inspection may be made and your Report of Final Plugging approved without further delay.

Yours very truly,

OIL CONSERVATION COMMISSION
