12. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

Northland Operating Co. has completed engineering plans to redrill and expand the Rock Queen, Drickey Queen and West Cap Queen waterflood and is now arranging financing for implementation of these waterflood redevelopment projects. Therefore, it is requested that Northland be allowed to retain the well in its present status for a maximum of six months pending implementation of the redevelopment projects.
