(NOTE: Report results of multiple completion on Well Completion or Recompletion Report and Log form.)

17. Describe in brief the nature of the work done, including pertinent details, and give pertinent dates, including estimated date of starting any project, work, or well, if well is being drilled, give surface location and measured and true vertical depths for all markers and zones pertinent to the work.*

- A. Temporarily abandoned in February of 1965.
- B. Temporary abandonment was due to high water cut - not economical to produce.
- C. **XX** Future plans are to run test equipment and reevaluate. If well is not economical to produce, then a study will be made for a tertiary flood.
- D. Approximate date for testing and reevaluating will be in 1975.
