(INDICATE ABOVE BY CHECK MARK NATURE OF REPORT, NOTICE, OR OTHER DATA)

September 3, 19**54**

Well No. **14** is located **660** ft. from **NE** line and **1980** ft. from **EW** line of sec. **3**
SE SW 3 **14-S** **31-E** **NMPH**
(1/4 Sec. and Sec. No.) (Twp.) (Range) (Meridian)
Dickey-Queen (Ext.) **Chaves** **New Mexico**
(Field) (County or Subdivision) (State or Territory)

The elevation of the derrick floor above sea level is **4425** ft. (**Est.**)

DETAILS OF WORK

(State names of and expected depths to objective sands; show sizes, weights, and lengths of proposed casings; indicate mudding jobs, cementing points, and all other important proposed work)

It is proposed to drill this well to an approximate total depth of 3060' in the Queen Sand.

<u>Size of Casing</u>	<u>Weight per Foot</u>	<u>Depth</u>	<u>Cement</u>
8 5/8" OD	22.7#	360'	Cemented-circulate
5 1/2" OD	14#	3000'	300 sacks *

* Mud ahead of cement

I understand that this plan of work must receive approval in writing by the Geological Survey before operations may be commenced.

Title **Asst. Division Supt.**

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that proper record-keeping is essential for transparency and accountability, particularly in financial matters. The text suggests that organizations should implement robust systems to track income, expenses, and assets, ensuring that all data is up-to-date and easily accessible.

2. The second part of the document addresses the challenges of managing complex data sets. It highlights the need for effective data management strategies, including regular backups, secure storage, and efficient retrieval methods. The author notes that while technology offers powerful tools for data handling, it also introduces new risks, such as data breaches and system failures. Therefore, a comprehensive risk management plan is crucial to protect sensitive information.

3. The third part of the document focuses on the importance of communication and collaboration. It argues that successful projects and organizations rely on clear communication channels and a collaborative culture. The text encourages team members to share ideas, provide feedback, and support each other in achieving common goals. It also stresses the importance of regular meetings and updates to keep everyone informed and aligned.

4. The fourth part of the document discusses the role of leadership in driving organizational success. It outlines the qualities and skills that effective leaders possess, such as vision, integrity, and the ability to inspire and motivate others. The author suggests that leaders should set a clear direction, establish high standards, and foster a positive work environment. Additionally, they should be open to learning and adapting to changing circumstances.

5. The fifth part of the document explores the impact of technology on modern organizations. It discusses how digital tools and platforms have transformed various aspects of business operations, from marketing and sales to production and distribution. The text highlights the benefits of automation and data analytics, which can improve efficiency and decision-making. However, it also warns of the potential downsides, such as job displacement and increased reliance on technology.

6. The sixth part of the document addresses the importance of sustainability and social responsibility. It argues that organizations have a duty to contribute positively to society and the environment. This involves adopting sustainable practices, such as reducing waste and energy consumption, and supporting social initiatives. The text suggests that sustainable business practices can lead to long-term success and a positive reputation.

7. The seventh part of the document discusses the importance of innovation and creativity. It encourages organizations to foster a culture of innovation by encouraging employees to think outside the box and experiment with new ideas. The text notes that innovation is a key driver of growth and competitive advantage in today's fast-paced market. It also suggests that organizations should invest in research and development to stay ahead of the curve.

8. The eighth part of the document addresses the importance of customer satisfaction and loyalty. It argues that happy customers are the foundation of a successful business. The text suggests that organizations should focus on understanding their customers' needs and preferences, and providing high-quality products and services. It also emphasizes the importance of excellent customer service, which can lead to repeat business and positive word-of-mouth.

9. The ninth part of the document discusses the importance of financial management. It outlines the key principles of sound financial management, including budgeting, cost control, and investment management. The text suggests that organizations should regularly review their financial performance and make adjustments as needed. It also emphasizes the importance of maintaining a healthy cash flow and managing debt effectively.

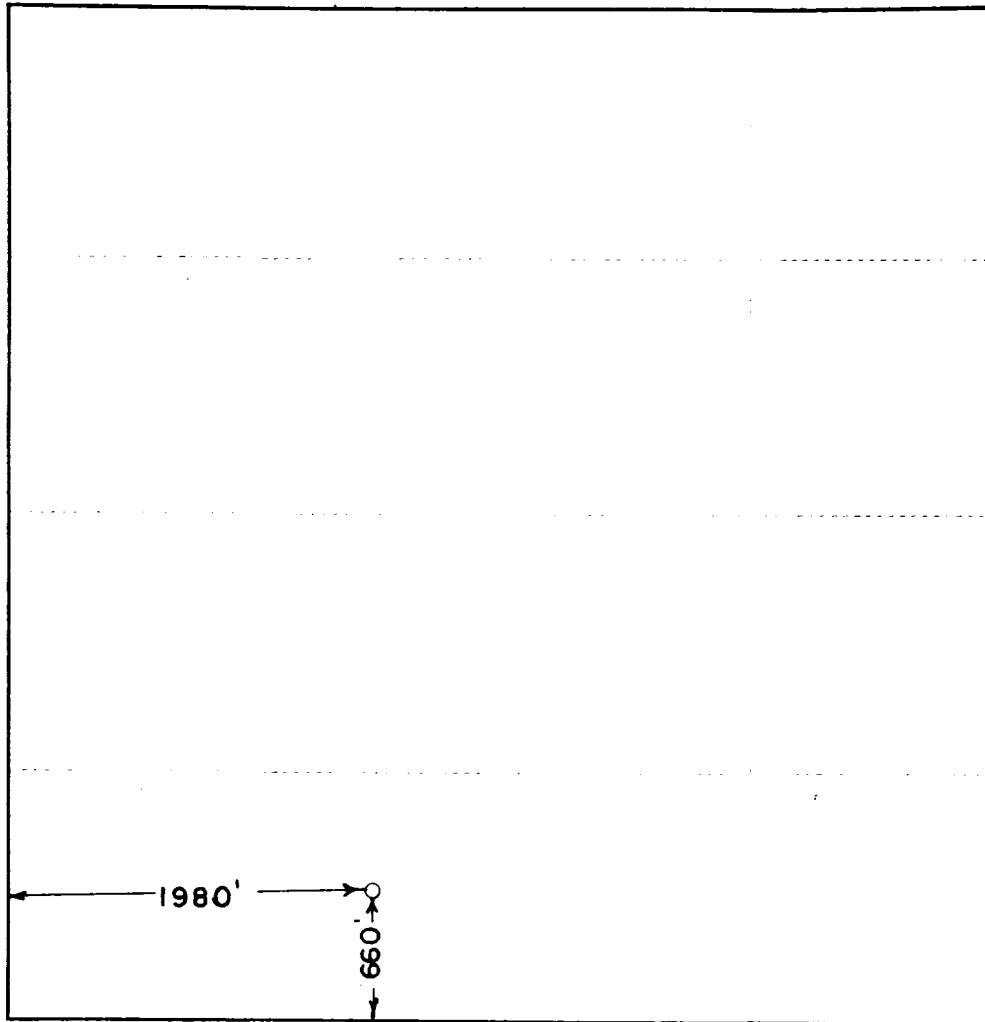

10. The tenth part of the document concludes with a summary of the key points discussed. It reiterates the importance of record-keeping, data management, communication, leadership, technology, sustainability, innovation, customer satisfaction, and financial management. The author encourages organizations to embrace these principles and strive for continuous improvement and success.
