Gentlemen:

A check of the file for your Gulf State No. 4 in Unit H of Section 27, T-14-S, R-31-E indicates that no forms have been filed since September of 1957, at which time Form C-103 showing the results of test of casing shut-off on the 5 $\frac{1}{2}$ " casing was filed.

Please submit Form C-103 at your earliest convenience showing the present status of the well. If it is temporarily abandoned, it will be necessary to submit Form C-103 every six months showing status.

Yours very truly,
