13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

Northland Operating Co. has completed engineering plans to redrill and expand the Rock Queen, Drickey Queen and West Cap Queen water flood and is now arranging financing for implementation of these water flood redevelopment projects. Therefore, it is requested that Northland be allowed to retain the well in it's present status for a maximum of six months pending implementation of the redevelopment projects. Last water injected, December 1982.
