1. Outline the acreage dedicated to the subject well. Is community pooling or unitization in the pattern?
2. If more than one lease is dedicated to the well, outline each and identify the ownership (including interest and royalty).
3. If more than one lease of different ownership is dedicated to the well, date the interests of all owners (including dated by communitization, unitization, force-pooling, etc.)

☐ Yes ☐ No If answer is "yes," type of communitization _____

If answer is "no," list the owners and tract descriptions with interest percentages (including interest in royalty) on this form if necessary.) _____

No allowable will be assigned to the well until all interests have been considered (by communitization, unitization, forced-pooling, or otherwise) or until a non-standard unit, eliminating such interests, has been approved by the Commission.
