Gentlemen,

Enclosed, please find the appropriate Sundry Notices (Form C-103) for wells addressed in your letter dated September 27, 2001. These wells were old injection / disposal wells in which we knew nothing about. Be assured that these wells will be in compliance by the date given. I personally thank Billy Pritchard for his help. I thank both of you for your patience. Should you have any questions or need anything else at this time, please give me a call.

Sincerely,

Toby D. Andrews
Oil & Gas Operations Manager
