Gentlemen:

An exception to the No-Flare Order was granted for your Champlin State No. 1 located in Unit B of Section 4, T-8-S, R-33-E, until November 1, 1972. Since you have not submitted Form C-104 indicating that the gas has been connected, the well must be shut in, and must remain shut in until you obtain a gas connection and submit Form C-104 designating the purchaser.

Yours very truly,

OIL CONSERVATION COMMISSION
