Mr. Joe D. Ramey  
Oil Conservation Commission  
State of New Mexico  
P. O. Box 1980  
Hobbs, New Mexico 88240

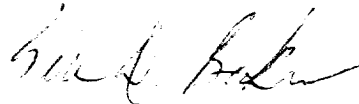

Dear Joe:

As you requested in your letter of May 1, 1969, we are submitting an affidavit from Byron Jackson, Inc., stating that the cement was circulated on the 8-5/8" casing on the Sunray State No. 1.

Sorry for all the confusion and trouble on this, and I hope this straightens everything out.

Yours very truly,

H. L. BROWN, JR.

Bill D. Baker  
Petroleum Engineer
