17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1703.

After testing this well on the pump for several weeks it was found to be un-economical to produce commercial oil. Therefore, it is our intention to plug and abandon by pulling the pumping equipment and set plugs as follows:

35 sacks TD
25 sacks - stub of 5½" casing.
25 sacks - base of salt.
25 sacks - base of 8 5/8" casing.
10 sacks - at surface with regulation marker.

Heavy mud between plugs will be used.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
