Completion or Recompletion)

17. DESCRIBE PROPOSED OR COMPLETED OPERATIONS (Clearly state all pertinent details, and give
estimated date of starting any proposed work. If well is directionally drilled give sub-
surface locations and measured and true vertical depths for all markers and zones
pertinent to this work)*

Due to poor economic conditions, and marginal producing rates,
we are filing for a suspension of production until the economic
environment improves to the point that the subject well can be
returned to production and operated at a profit. If not approved,
subject well will have to be P & A due to low product prices.

I hereby certify that the foregoing is true and correct
