Completion or Recompletion Report and Log form.)

17. DESCRIBE PROPOSED OR COMPLETED OPERATIONS (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

The initial plans were to drill the above well with cable tools. The plans are changed and will now drill with a rotary.

Also, will alter program to run 460' of 8 5/8" casing, will only need to run 300' of 8 5/8" but will still circulate cement to the surface.

Balance of initial drilling program will remain unchanged.

18. I hereby certify that the foregoing is true and correct
