Dear Mr. Sexton:

Our Phyllis Williams No. #1 located in the S/2 of Section 3, T-13-S, R-31-E, Chaves County, New Mexico is presently shut in and has been shut-in since 1978. The mineral owner has requested and has received a release of the oil and gas lease covering this acreage.

M R Oil Company, of Monahans, Texas has expressed a desire to purchase our well if they can secure a reasonable lease on the subject acreage. They have plans to deepen our well for a deeper test. If they do not use our wellbore we will plug it as soon as we know what their situation is.

Yours truly,
