Gentlemen:

It has come to our attention that your lease covering the S/2 of Section 3, T-13-S, R-31-E, Chaves County, New Mexico, has been released. There is, however, a shut in well located in Unit K of Section 3 which is still in the name of Bill J. Graham Estate.

Since you no longer have this lease and the well has been shut in since 1978, it would appear that it should be plugged and abandoned at the earliest possible date. Please advise this office as to your intent in this regard.

Yours very truly,

OIL CONSERVATION DIVISION

Jerry Sexton
Supervisor, District 1
