Midland, Texas 79701

Gentlemen:

We are returning Form C-105 for your Williams Well No. 1 located in Unit K of Section 3, T-13-S, R-31-E. We are also enclosing blank copies of the revised Form C-105; please submit the information on the revised forms by completing all sections on both the front and back. We note that no perforations are shown; if this is an open hole completion, please so indicate.

In addition, please submit two copies of a notarized tabulated list of the deviation surveys taken on the portion of the hole drilled with rotary tools.

We also wish to call to your attention that this well is at an unorthodox location for a gas well to which the south half of the section is dedicated. Prior to producing the well, it will be necessary for you to obtain approval for the unorthodox location from the Santa Fe office of the Oil Conservation Division.

Yours very truly,

OIL CONSERVATION DIVISION

Jerry Sexton
Supervisor, District 1
