17. DESCRIBE PROPOSED OR COMPLETED OPERATIONS (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

We request permission to amend our surface use plan to include the installation of power lines to this location. The proposed power lines will come from the south and be hooked up at the wellsite. We understand that the lines must be raptor proof. The distance from the lease line to the wellsite is 330'.

Copies of Exhibit B are attached showing the proposed power lines.
