P. O. Drawer "U"
Artesia, New Mexico 88210

Dear Sir:

We have reviewed our proposed drilling operations and road construction plans concerning the captioned wells with Mr. Mays Jenkins. Mr. Jenkins is the surface owner.

Mr. Jenkins was advised that the pits will be fenced and when drilling operations are completed they will be backfilled and leveled. Mr. Jenkins agreed to this procedure and made no requirements for surface restoration.

Yours very truly,

Roy E. O'Brien
Roy E. O'Brien
