(other) extend commencement date

(NOTE: Report results of multiple completion or zone change on Form 9-330.)

17. DESCRIBE PROPOSED OR COMPLETED OPERATIONS (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

Due to the extremely high drilling activity we have been unable to secure a drilling rig for this well. It is now anticipated to commence the well approximately June 1, 1980 and it is requested that the original permit to drill be extended.
