Gentlemen:

High Plains Oil Company has recently re-entered the Cushing 13 Well No. 1 located in Unit H of Section 13, T-8-S, R-32-E, and an allowable has been assigned in the Chaveroo San Andres Pool.

Our file for the well does not contain, however, a subsequent report covering the plugging of the well by Laguna Petroleum Corporation. To complete our file for this well, please see that this report is submitted without further delay.

Yours very truly,
