Chaves County, New Mexico

Dear Mr. Lampert:

As requested in your letter of November 5, 1984, the surface location for the subject well, which is plugged and abandoned, was inspected by a representative of this office on February 4, 1985, and it was found to be cleared and levelled in accordance with our requirements for wells on state or fee land.

Yours very truly,

OIL CONSERVATION DIVISION

Dear Sirs:

According to the B.L.M., the State owns the surface of the above lease. We plugged the above well on 10-2-84. Please check the surface roads and pad and if they have been cleaned satisfactorily, please sign and return one copy of this letter to me. I then will forward a copy to the B.L.M.

Very truly yours,

Leon M. Lampert

Surface location has been cleaned, levelled and is satisfactory.
