Re: Burkitt Federal #3
Section 34-12S-31E
Chaves County, N.M.

Gentlemen:

Yates Drilling Company respectfully requests permission to dispose of produced water from the captioned well.

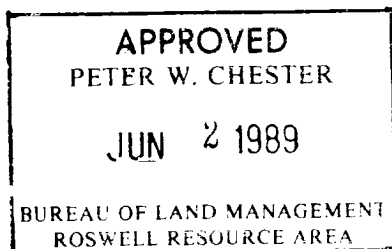

The well produces from the Queen formation and produces 2.5 barrels of water per day.

The water is stored in a 210 fiberglass tank and will be hauled to a disposal by I & W, Inc.

I & W disposes of the water in the Loco Hills Water Disposal located in Section 16-17S-30E under permit number R-3221.

I am enclosing a water analysis report for the produced water.

Your consideration of our request is appreciated.

Sincerely,

YATES DRILLING COMPANY
