Gentlemen:

Our current well abandonment approval procedure requires the operator to submit a Final Abandonment Notice, on Form 3160-5, (Sundry Notices and Reports on Wells), once the surface reclamation work has been completed on an abandoned location. The surface reclamation on the above referenced well has been accomplished in accordance with all federal requirements.

To finalize this well abandonment, please submit Form 3160-5 (original plus six copies) notifying this office that the surface reclamation has been completed. Upon receipt of the Sundry Notice this well will be approved.
