Application to Dispose of Produced Water
NTL-2B, Davis N Lease, Well No. 7
(Lease No. NM-0174830)
Chaves County, New Mexico

United States Department of the Interior
Bureau of Land Management
P. O. Drawer 1857
Roswell, New Mexico 88202

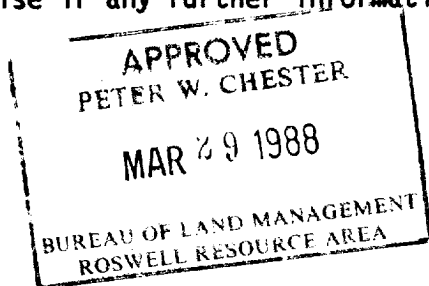

Attn: District Engineer

Gentlemen:

We respectfully request approval of the disposition of produced waters from the Davis N, Well No. 7. Disposal of produced water is in the Rice Engineering Corporation's Tobac SWD System No. G-16 located in Section 16, T-9-S, R-33-E, Chaves County, New Mexico. Previous approval of disposal method for this well was granted to Ultramar Oil and Gas, Ltd. Phillips Petroleum Company assumed ownership of the well in January of 1987 and changed the well's name from the Phillips Federal, Well No. 1 to the Davis N, Well No. 7. A copy of Ultramar's approval for disposal is enclosed.

Water production is collected at the tank battery located in the SE/4 NW/4 of Section 18, T-8-S, R-33-E, Chaves County, New Mexico and transported by pipeline to the disposal well. Produced water from the subject well is approximately 55 BWPB.

Please advise if any further information is needed.

Yours very truly,

Larry M. Sanders, Supervisor
Regulation and Proration
