Gentlemen:

Enclosed are forms C-101 and C-102, Application for Permit and Well Location and Acreage Dedication Plat relative to the subject well.

Papers are currently being filed with the Corporation Commission of the State of New Mexico in order for Texland to become registered with the State of New Mexico and a one well plugging bond has been mailed to the Oil Conservation Commission office in Santa Fe.

If there is a problem with this application or if you need additional information, please feel free to call me collect at your convenience.

We have a rig available and would like to be able to spud this wellbore as soon as possible. Your expeditious handling of this application would be greatly appreciated.

Sincerely,

Kay West
Production Assistant
