Mr. Sexton,

In light of the cost to test the Thelma #2 as we had stated in our letter of July 10, we have decided to instead spend our money in repairing the equipment to put the well back on production. The Thelma #2 was re-activated 9/8/92 and is back on production.

Thanks,
Ray F. Nokes

I hereby certify that the information above is true and complete to the best of my knowledge and belief.
