Dear Sir:

In reviewing our records we find that your Application For Permit To Drill the #10 Miller Federal, lease No. NM-046153-A, located in Sec. 35, T.7S., R. 31E., was approved on Feb. 3, 1986. Since the well has not been drilled, we are placing this application in our closed files. If you should decide to drill the well at a future date, you will need to reapply at that time.

Please feel free to contact our office if you have any questions concerning this action.

Sincerely,

Phil Kirk
