Re: Filing of radio-activity and electrical logs

Gentlemen:

Rule 1105 of the Division's Rules and Regulations requires that one copy of all electrical and radio-activity logs run on a well be supplied to the appropriate district office of the Oil Conservation Division.

As of this date, we have not received this information on the following wells:

Mescalero "11" Federal #1-K Sec. 11, T12S, R30E, Chaves County, NM

Please submit two copies of list of deviation surveys.

Yours very truly,

OIL CONSERVATION DIVISION

Jerry Sexton
Supervisor, District I

If no logs were run, please make a statement to that effect in the space below. If the logs have been run and will be supplied later, please so indicate.
