UNIT A. S32-T8S-R31E

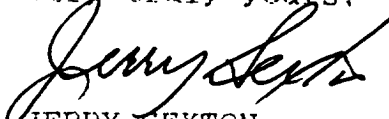

Gentlemen:

The above referenced plugged well site has recently been inspected by an Oil Conservation Division Representative, in an attempt to release the location.

As a result of this inspection, the field representative found that the well name and number is not on the dry hole marker.

When this item has been done please contact Jerry Sexton at 505-393-6161 or sign this letter below and return it to our address stated above.

Very truly yours,

  
JERRY SEXTON
