NOV 19 1996

Gentlemen:

We will need to change the name of your recently approved well, the No. 1 - Indianhead Federal, located 1980' FSL and 1650' FWL of Sec. 3, T. 15 S., R. 30 E., NMPM, Chaves County, New Mexico, on Federal oil and gas lease NM-0554963. The well will need to be named the No. 2- Holbrook Federal in order to be in compliance with the New Mexico Oil Conservation Division well naming Rule-103 and to better fit our AIRS computer tracking system. When we processed the APD for this well we overlooked the fact that you already operate the No. 1 - Holbrook Federal well, located 1980' FNL and 660' FWL of Sec.9, T. 15 S., R. 30 E., on lease NM-0554963.

We apologies for any inconvenience this may cause. If you have any questions feel free to call Peter Chester at (505) 627-0240.

Sincerely

Peter W. Chester
