12. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

Original drilling permit approved by District I Supervisor Chris Williams effective 8/12/98. For economic reasons due to the price of oil, the well was not drilled within the one year time limit. We have re-evaluated the economics and want to proceed with the drilling of Well #56.

I hereby certify that the information above is true and complete to the best of my knowledge and belief.
