

*Injection Pressure Increase
Queen Sand Operating Company
August 11, 2000
Page 2*

<i>Well and Location</i>	<i>Maximum Surface Injection Pressure Water</i>
<i>DQSU Well No. 57 (API No. 30-005-21154) Unit A, Section 15, Township 14 South, Range 31 East</i>	<i>1809 PSIG</i>
<i>Chaves County, New Mexico.</i>	

The Division Director may rescind this injection pressure increases if it becomes apparent that the injected water is not being confined to the injection zone or is endangering any fresh water aquifers.

In addition to the operator name, well name and test data; please include the legal location of the well, the name of a contact person, a phone number and a return address with any future requests for pressure increase.

Sincerely,

Lori Wrotenbery
Director
