RE: Texaco Exploration & Production Inc.
Dulce 36 State Com, 1-F, 36-15-31

Gentlemen:

It appears that this well has been producing since some time during the month of November of 2000. There has not been any completion report turned in or testing allowable or initial allowables requested on this well.

Therefore, Texaco Exploration & Production Inc. is directed to immediately shut-in this well per phone conversation with Denise Leake at 12:58 p.m. and this well is to remain shut-in until Texaco complies and brings its paper work up-to-date on this well.

Very truly yours,
OIL CONSERVATION DIVISION
