DECLASSIFICATION AND DECLASSIFICATION

1. DECLASSIFICATION

DECLASSIFICATION

The purpose of this document is to provide information regarding the declassification of records. The information is intended to be used by the public and the media to understand the process of declassification and to ensure that the records are properly handled.

The declassification process is a complex one, involving the review of records by a declassification authority. The authority will determine whether the records are eligible for declassification and, if so, the date and conditions of declassification. The records will then be declassified and made available to the public.
