1. *Pharmaceutical industry* – The pharmaceutical industry is the largest of the three industries, with sales of \$10.5 billion in 1997. It is the only industry in the sample that has a significant presence in all three markets. The industry is characterized by high R&D expenditures, high barriers to entry, and a high degree of concentration. The industry is also characterized by a high degree of competition, with many firms competing for market share.
