Gentlemen:

With reference to your letter dated September 7, 1948, regarding the location of our State "R" Well No. 2, the location shown on Form C-101, Notice of Intention to Drill, dated August 31, 1948, and approved by your office on September 3, 1948, as Section 5, T. 13S, R. 32E, NENW, Caprock Field, Lea County, New Mexico, is correct.

This Form C-101, dated August 31, 1948, supplemented the Form C-101, dated June 22, 1948, and submitted by Mr. R. C. DeWoody, who is no longer associated with this company.

The only change made on this form was in the location, and in the future we will make notations of such corrections.

Yours very truly,

GREAT WESTERN PRODUCERS, INC.
