

Ran liner, perforated, acid treated and completed as water injection well as follows:

1. Pulled rods, pump and tubing. Cleaned out from 3040-3055'.
2. Ran Gamma Ray Neutron survey. Plugged back from 3055-3040' with pea gravel and to 3038' with 15 gallons calseal.
3. Ran 2-3/8" tubing with 59' 4-1/2" Hydril liner set at 3038'. Pumped 200 gallons calseal. Tested liner with 1000#, pressure dropped to 200# in 20 minutes.
4. Ran 2-3/8" tubing with cement retainer at 2960'. Pumped 72 sacks cement in 5 stages. Maximum Pressure 1700#. Pulled tubing.
5. Ran tubing and bit to retainer at 2960', tested casing with 1000#, OK. Drilled cement to 3005', pressured to 1000#, OK. Drilled calseal from 3038-3040' and cement and sand from 3040-3051'. Pulled tubing and bit.
6. Perforated casing from 3041-3051' with 5, 1/2" jet holes per foot. Ran 2-3/8" tubing open ended to 3050'. Treated formation from 3040-3050' with 500 gallons mud acid. Pulled tubing. Injected water.
7. Ran 2-3/8" tubing set at 3026'. Treated formation from 3038-3051' with 1000 gallons 15% H⁺ acid. Injected total 11960 water(bbls) from 4-16 thru 5-31-57 (from 3038-3051').

THE UNIVERSITY OF CHICAGO PRESS
CHICAGO, ILL. 60607

1. The first of these is the fact that the University of Chicago Press has been publishing books in the field of the history of the United States since 1892. This is a long and distinguished record, and it is a testament to the quality of the books published by the Press.
2. The second of these is the fact that the University of Chicago Press has been publishing books in the field of the history of the United States since 1892. This is a long and distinguished record, and it is a testament to the quality of the books published by the Press.
3. The third of these is the fact that the University of Chicago Press has been publishing books in the field of the history of the United States since 1892. This is a long and distinguished record, and it is a testament to the quality of the books published by the Press.
4. The fourth of these is the fact that the University of Chicago Press has been publishing books in the field of the history of the United States since 1892. This is a long and distinguished record, and it is a testament to the quality of the books published by the Press.
5. The fifth of these is the fact that the University of Chicago Press has been publishing books in the field of the history of the United States since 1892. This is a long and distinguished record, and it is a testament to the quality of the books published by the Press.
6. The sixth of these is the fact that the University of Chicago Press has been publishing books in the field of the history of the United States since 1892. This is a long and distinguished record, and it is a testament to the quality of the books published by the Press.
7. The seventh of these is the fact that the University of Chicago Press has been publishing books in the field of the history of the United States since 1892. This is a long and distinguished record, and it is a testament to the quality of the books published by the Press.
8. The eighth of these is the fact that the University of Chicago Press has been publishing books in the field of the history of the United States since 1892. This is a long and distinguished record, and it is a testament to the quality of the books published by the Press.
9. The ninth of these is the fact that the University of Chicago Press has been publishing books in the field of the history of the United States since 1892. This is a long and distinguished record, and it is a testament to the quality of the books published by the Press.
10. The tenth of these is the fact that the University of Chicago Press has been publishing books in the field of the history of the United States since 1892. This is a long and distinguished record, and it is a testament to the quality of the books published by the Press.
