17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

Total depth is 3060' with 5-1/2" casing set at 3025'. We propose setting a 25 sack cement plug at 3025'. Approximately 1200' of 5-1/2" casing will be pulled and a 25 sack plug will be set at the casing stub. A 25 sack plug will be placed at the bottom of the 8-5/8" surface casing at 260' and a 10 sack plug will be placed at the surface. Mud-laden fluid will be placed between the plugs.

Tract 2 Formerly the Great Western Drilling Co. State "N" No. 2

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
