Re: Forms on plugging
State 281 #2-281

Gentlemen:

A check of the file on your State 281 #2-281 in Unit F of Section 19-13S-32E shows that although you filed Form C-102, Notice of Intention to Plug Well, on November 10, 1955, we have received no subsequent forms.

Mr. M. L. Armstrong, Oil and Gas Inspector for the Commission, has inspected the well site, and he finds that it is in good condition. We shall appreciate it if you will file Form C-103 and Form C-105, so that these forms may be approved and the file cleared on this location.

Yours very truly,

OIL CONSERVATION COMMISSION
