Re: Great Western Drilling Company's  
State "X" #2, Caprock Queen Field,  
Chaves County, New Mexico

Gentlemen:

The file of the above well was placed in the plugged and abandoned records before the final plugging record (result of plugging) were filed. Hence the delay.

Our only change from the approved application was a recovery of only 1205' of 5 1/2".

Yours very truly,

GREAT WESTERN DRILLING COMPANY
