Gentlemen:

Mr. Eric Engbrecht, Oil & Gas Inspector for the Commission, has made an inspection of the location for your plugged and abandoned State "X" No. 2 in Unit E of Section 31, T-13-S, R-32-E and has found that the dead men wires have not been cut and that the legal description of the location has not been inscribed on the marker.

Please advise this office when these things have been done so that a final inspection may be made.

Yours very truly,

OIL CONSERVATION COMMISSION
