Gentlemen:

Please refer to my letters of January 21, 1957, April 3, 1957 and December 6, 1957, all three of which requested that certain work be performed on your White State No. 1-D, Section 29, T-14-S, R-32-E.

Failure to reply within 10 days outlining a satisfactory program will necessitate that we make this demand to your bonding agent.

Yours very truly,
