

OIL CONSERVATION COMMISSION
Santa Fe, New Mexico
MISCELLANEOUS REPORTS ON WELLS

RECEIVED
JAN 1 1950

Submit this report in triplicate to the Oil Conservation Commission or its proper agent within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of casing shut off, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the Commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.
Indicate nature of report by checking below.

1. The first part of the document is a letter from the President of the United States to the Congress, dated January 3, 1862. It is a very long letter, and it contains a great deal of information about the state of the country at that time. The President talks about the war, the economy, and the government. He also talks about the people of the country and how they are feeling about the war. The letter is written in a very formal and official style, and it is signed by the President.

2. The second part of the document is a letter from the Secretary of the Treasury to the Congress, dated January 3, 1862. It is a very long letter, and it contains a great deal of information about the state of the country at that time. The Secretary talks about the war, the economy, and the government. He also talks about the people of the country and how they are feeling about the war. The letter is written in a very formal and official style, and it is signed by the Secretary.

3. The third part of the document is a letter from the Secretary of the Interior to the Congress, dated January 3, 1862. It is a very long letter, and it contains a great deal of information about the state of the country at that time. The Secretary talks about the war, the economy, and the government. He also talks about the people of the country and how they are feeling about the war. The letter is written in a very formal and official style, and it is signed by the Secretary.
